Alaska CCA Clinical Experience Hours Log

Name of CCA (printed): _____ State Exam Pass Date: _____

Per the CTA Program requirements for certification as an Alaska Chiropractic Clinical Assistant, candidates must submit proof of up to twelve hundred (1,200) hours and no less than 300 hours of clinical experience under direct supervision. The supervisor is required to provide the CTA Program a report concerning the certificate holder's performance in each area of performance on the form provided by the CTA Program to become fully certified as a chiropractic clinical assistant. Such hours shall be completed within one (1) year from the date of examination, unless an extension is requested and granted by the CTA Program.

Supervision must be provided by the chiropractic physician in the practice facility where the CCA candidate is employed and is for the purpose of training or teaching. An approved supervisor provides regular documented face-to-face guidance and instruction with respect to the skills and competencies of the person supervised, while monitoring the performance of the individual.
